

Patient Flow Portal Upgrade

Patient Flow Portal Project

Health Support Services is upgrading the Patient Flow Portal. The upgrade will be performed by the Patient Flow Portal Project Team working with TSS Application Support resources to complete the upgrade.

The outage has been scheduled for Wednesday, 8th February 2012 at 15:00. Services will be restored to normal at Wednesday, 8th February 2012 at 17:30.

As a part of the upgrade the Patient Flow Portal will NOT be available during this time.

if you encounter any problems, please contact the:
